

# **LWBC Mission Overview 2018**

## **THE NEXT 3 MONTHS....**

The aim of the next 3 months for LWBC is to be a 'church on mission'.

This doesn't mean we know exactly how every detail is going to pan out, but believe God has given us a call as a church to be as outward facing as we can and to share who we are, what we believe, what we do, and invite those in Tile Hill and surrounding areas to join us in following Christ and being a disciple that makes disciples, to see His Kingdom come and His will be done.

### **Practical:**

The aim of the mission is to place a booklet (which we have designed as a church) into the hands of residents in Tile Hill via street evangelism and by knocking the doors and offering prayer to all – which we will intentionally follow up.

### **Prayer:**

We are taking the mission seriously with a fortnight fast with the aim of listening to God and sharing with each other what we feel God is saying both to us as individuals but also to the collective body here at LWBC.

The invitation to everyone at LWBC is to be in continual prayer for the mission and on the other side of this sheet is a calendar which details what we will be doing each week for the next 3 months.

### **Preparation:**

September is primarily about sharing this vision/call to mission clearly with each other and encouraging each other to be prepared to #GO!

This will involve some teaching on a Sunday morning and also the invitation to commit to one or more of the prayer and fasting days starting on September 16.

### **Support:**

Life Groups (home groups) will be starting up shortly and the hosts/oversight of each group will be letting you know which group you are in. The initial idea for the groups is to be supporting the mission – this will involve getting to know each other, prayerfully supporting each other, and also to be part of the physical outreach work.

Not everyone will be able to physically be the hands and feet of the mission through either work / family commitments or physically not able to get around as much as they would like to, but those people can be the vital prayer support, and the aim would be to let those who are praying know when teams are on the streets so prayer cover is effective.

### **Teams:**

We need a number of teams / team leaders – Can you help?

- Oversee the Prayer and Fasting Diary, and remind folk of their fasting days
- A mapping team to look at the Tile Hill area and work out an effect booklet drop, liaising with Life Group Leaders, Mission Pairs, Individuals and the Oversight Team
- Prayer coordinators

Please use the calendar above to record personal notes during the 3 months of mission. This may include any prophetic words, pictures or visions for both you personally and for the church. Record any bible passages or verses that have stood out to you.

For September and October we will continue to run B.L.A.S.T! every Sunday – our young people will go straight out the back to this activity.
