

A very warm welcome to you if you are visiting us today. We are delighted you could join us at this service and hope you feel at home and find your time with us worthwhile.

Our Services have a combination of singing, praying and a talk that explains the Bible in a relevant way.

and a talk that explains the Bible in a relevant way. Refreshments are provided at the end of the service and there is an opportunity for asking questions.

Free refreshments are provided at the end of the presentation. This is a great opportunity for asking questions, sharing your experience, and encouraging you to write in this journal.

which gives a great chance to get to know other people and ask questions. We keep a prayer book by the entrance, and encourage you to write if there is something you would like us to pray for as part of the public service.

During the service we take up an offering which gives members and regular attenders the chance to support church ministries and activities financially - we are not after your money, so if you are visiting, feel free to let it pass you by.

We have communion services twice a month where, as believers, we remember the significance of Jesus death by sharing the sacraments (bread and wine).

As 'Baptists' we baptise by full immersion in water when someone is ready to publicly declare that they are followers of Jesus Christ. You may have questions about what we believe and do or the activities we offer - please see one of the leadership team after the service and we will try and answer your questions.

On the first Sunday of each month we have a café-style all-age gathering in the morning. This is an opportunity for us to get to know each other better as a church family, including table-talk,

video clips and a short talk. The same evening we gather at 6pm to break bread then at 6.30pm we meet for THRIVE - a praise, prayer and testimony evening, open to all churches.

PASTOR'S NOTES

As we look to #GO! on mission over these next few weeks there have been a number of reactions, some positive with people being released into serving God in a deeper and more committed way, and others probably feeling vulnerable, especially at the thought of the pastor not being in church on a Sunday, but out on the streets with others proclaiming the good news! Ask yourself, what has been your reaction?

However you are feeling, my prayer is that your eyes are fixed upon the author and finisher of our faith, and that we are not trying to grab His pen and write things ourselves!

We are called to 'Missio Dei' - Mission of God - this is His mission and as church we are part of God's much larger mission - we cannot take God out to the streets, He is already there! The next 2 months are about finding out what He is doing already and joining in!

Every Blessing,
Darren

MISSION VIDEO TO WATCH

As part of being 'church on mission' over these next 2 months, have a watch of this video to get some fresh perspective on what mission is...

it is "not so much our strategising, our clever ideas, our agendas, but finding the glimpses of glory" - Missio Dei: What is God already doing, let's go, listen, find out and join in!

COVENTRY CITY MISSION ~ GIVING TREE ~

This year LWBC will again be a centre for the Giving Tree project which, last year, gave presents to 642 children from 246 families!

It isn't just about providing new gifts for the children, it is about meeting with families and impacting their lives with the love of God, and with each parcel, CCM provides appropriate tracts for the family.

How can you help?

Donate Toys:

You can donate new, unwrapped gifts by **3rd December** which CCM sort into appropriate categories - they can provide a list of suggested gifts if required.

If you are unable to buy a gift, you may want to **contribute financially** and above all you can **pray for us**.

Wrap Gifts:

In the weeks beginning **3rd** and **10th December** you can join a wrapping team either during the day or evening. If you or a group of you would like to be involved, please get directly in touch with Sarah White, Giving Tree Co-ordinator on:
